Bures Hamlet Parish Council (BHPC) Public Rights of Way (PROW) Report: Sept-Nov. 2024

BrW19 short-med	S33/WD. (broken concrete track off Bkr's Hall track, to top of Craig's Lane)			
FP20 med	N32/D. (contntn. Of Craig's Lane, past Sptpnny. Fm. & Vily.Grn.Fm.)			
FP21 med	33/D-SE. (Bkr's Hall down to adjoin FP31)	All clear after hacking back a few nettles.		
BrW22 med+	S34/W-ED. (Ferrier's Lane;Lam.Hill – Colne Rd.)	Cut back by landowner, now summer nesting season is over.		
FP23 short	S33/D. (Hobb's Well up to Craig's Lane)	All clear.		
ByW25 med	N32/C. (far end of Baker's Hall concrete track, up to Broad Oakes, to Colne Rd)			
FP27 short	N32/WB. (MoP tend to use concrete track & not diag. across fld. FP signs either end do need to be kept clear though)			
FP28 short	32/WB. (across corner of farm fld! Top & bttm. gates)	Previously reported wobbly/unsafe stile at bottom end. Nothing changed as yet. Chains on gates are very fiddly to access. Thus, walkers apparently use the road to walk on – not a good safety aspect.		
FP29 short	S32/WB. (Opp. Rye Fm./wooden steps,sign,railing only)			
FP30 short-med	S34/ED. (side of Tenter Fld. down to Colch.Rd.)	Rear of Tenterfield is very narrow. I believe fences were sited incorrectly. Looks like they should have been placed about one foot/30cm further into gardens! Hedges at side of Parsonage Grove are kept tidy by our contractor, but are not helping with the narrowness of the FP. Wisteria cut right back where it was growing up and around the streetlight between The Paddocks and Normandie Way. Top section which could not be reached, is now dying back and will

		hopefully fall away from the light. Millennium FP trimmed as nec.		
FP31 med-long	S33/WE. (over Mnt.Brs.crossing down to bridge & adjoin FP21)	Sand/grit bin (at top by crossing) full and vegetation cleared from around it. Wooden bridge at bottom cleared and some broken branches laid on muddy areas for safer walking.		
FP33 short-med	33/E. (Phillips Path - Left of Hall Rd. up to Mnt Bures crossing)	Trimmed brambles along Phillips path and spoke to land owner regarding possible support to have FP extended down to Colch. Rd. with possible bridge over pond. Thus being safer for pedestrians against vehicles approaching, especially from Colch. Rd. on corner.
